Do something interesting with bread that's served with soups and salads. Here a delicious suggestion for French bread sliced diagonally. Cream ½ cup (1 stick) butter with ¾ cup sour cream, 1/8 teaspoon garlic powder and 2 teaspoons minced parsley. Spread cut sides of bread with this mixture, wrap in foil and heat in a moderate oven, 350 degrees, for about 20 minutes.

When you're going to be serving eggnog from a large punch bowl, freeze some of the dairy eggnog in ice cube trays to place in the bowl to keep the eggnog cold.

Did you know that cottage cheese first won popularity as a breakfast food? Hungry Dutch burghers in New Amserdam during the 17th century, spread their bread with cottage cheese. It's still a great treat for breakfast toast or muffins and comes in at 15 calories per tablespoon as compared with most spreads which run 100 per tablespoon.

It only takes a minute to make a day.

When you're away, it's good to know someone is at home waiting for you. And when you're the one waiting, there's nothing as comforting as a call that says, "I love you and I'll be home soon." With the convenience of long distance calls, just a minute's thoughtfulness can make a day of waiting a lot easier. It only takes a minute to make a day, and that's a great investment!

Join Fidelity's 5% Christmas Club & have a good ole time!

Words can't capture the Spirit of Christmas. Because more than anything else, it's an affair of the heart. A time when the look of wonder and anticipation in a child's eyes speaks of an ageless season.
And the miracle that Christmas itself really is.

Part of the joy is giving. From the heart. And with money to spend, the joy's even greater.

Fidelity's Christmas Club can provide the cash you'll need. You put in a few dollars each week, and we'll add 5% interest on your paid up club, computed on a 50 week scheduled basis. Then next year you'll have two things. Cash for Christmas.

And a good ole time.
